Get ready for the time of your afterlife with the supernaturally hilarious hit musical **BEETLEJUICE!** The spectacular Broadway sensation crosses over to the Prince Edward Theatre – for a limited haunting only. Based on Tim Burton's beloved movie classic, this wildly funny - and weirdly life-affirming – musical tells the tale of Lydia Deetz, a strange and unusual teenager sharing her home with a pair of newly-deads and the demonic ghost with the most, **BEETLEJUICE**. He's dead trouble, but if you really want to feel alive, just say his name three times...
