THE LINK & THE POINT

Charity No. 1198457

Welcome to the latest edition of Tadley & District Community Association (TDCA) guide to What's On.

2025 started in the best possible way when we learnt we were beneficiaries as a local good cause for the Tadley Millionaire Street run by People's Postcode Lottery. We received an unexpected but very welcome £50,000. This money is being used in conjunction with a Grant from Basingstoke & Deane Borough Council to replace the original fire doors in The Link which had reached their safe use by date. The project remains part of our ongoing commitment to keep the fabric of the Centre upto date so all our visitors have a warm and comfortable welcome.

TDCA which run The Link & The Point do much more than just hire out Halls & Rooms. In this guide you can find out about what we do.

Our Food Pantry remains well supported for those that may need a little help in the current cost of living crisis.

We are currently developing a range of activities for younger members of our local community that may wish to explore extra curricular activities in The Arts. Please keep a look out for further details on our web site or social media pages. We are also giving our support to Tadley Town Councils efforts to resurrect the Youth Council.

We continue to run Coach Trips. At the start of this year we ran our most successful excursion yet, with four full coaches over three separate dates visiting the ABBA Voyage concert in the East End of London.

On the first Saturday of the month we have our 7pm Community Cinema showing, along with our Thursday afternoon cinema at 2pm taking place on the second Thursday of the month for those who enjoy a daytime showing. Our Community cinema showings offer an evening screening at 7pm on the first Saturday of the month, and a relaxed afternoon matinee at 2pm on the second Thursday for those who prefer daytime entertainment.

Friday mornings why not join Ronnie at our Tete et Tete Cafe in The Link for Tea or Coffee and a slice of delicious cake.
